

The 100th issue of the electronic journal "Nanotechnologies in Construction: Scientific Internet Journal" has been published

No. 100

Dear authors and readers of the journal "Nanotechnologies in Construction"!

The 100th issue of the electronic journal "Nanotechnology in Construction: Scientific Internet Journal" has been published. Currently, the electronic edition of "Nanotechnology in Construction" is included in the list of the Higher Attestation Commission of the Russian Federation and the "White List" of scientific journals of the Ministry of Science and Higher Education of the Russian Federation. It is also included in citation systems such as Web of Science (Emerging Sources Citation Index) (USA); Scopus (Netherlands); ASI (Germany); CA(pt) (formerly Chemical Abstracts) (USA); CNKI (China); DOAJ (Sweden); EBSCO (USA); EZB (Germany); CrossRef (USA); Google Scholar; Index Copernicus International (Poland), ISSN 2075-8545 (France); HEAL Link (Greece), OAJI (USA); ProQuest (USA); Readera (Russia); ResearchBib (Japan); RSCI (Russia); Ulrich's Periodicals Directory (United States); DB VINITI (Russia); eLIBRARY.RU (Russia); ResearchGate (USA), and others. Each scientific article is assigned a unique identifier, such as a DOI (Digital Object Identifier), EDN (Electronic Document Number), or UDC (Universal Decimal Classification).

The electronic edition "Nanotechnology in Construction: Scientific Internet Journal" has been equated to K1 publications, as it is included in Web of Science, Scopus, and Chemical Abstracts, which have been renamed to CA (pt); The list of RSCI journals.

On the website of the Scientific Electronic Library, indicators of the SCIENCE INDEX ranking for journals for 2024 are published by eLIBRARY.RU. The indicator for the journal "Nanotechnologies in Construction" in the SCIENCE INDEX rating for 2024, as of 6.10.2025, is 2nd out of 115 journals in the SCIENCE INDEX category "Construction. Architecture." For the third year in a row (2022, 2023, and 2024), the journal "Nanotechnologies in Construction" has taken 2nd place in the SCIENCE INDEX ranking in the field of "Construction. Architecture."

Congratulations to the authors and readers of the journal on the 17th anniversary and our achievements! Significant results have been achieved thanks to the hard work and support of the editorial team, effective cooperation with the Association of Science Editors and Publishers (ASEP), high-quality contributions from the authors, and their adherence to the editorial guidelines. The thorough review process and professional attitude of the editors have ensured the quality of the articles published in the journal.

Thank you to all who contribute to the publication, as well as to the leading Russian and international scientists and professionals who use the journal's materials in their own research!

We invite leading scientists and specialists to publish materials about their research. We look forward to further fruitful cooperation.
